Committee: Joint Committee On Transportation

Measure, Appointment or Topic: HB3362

I am in opposition to HB 3362 which imposes a sales tax on tires to subsidize rail. We don't do sales taxes in Oregon. How do tires affect rail? Rail has been a failure & unsafe on Max do to vagrant junkies. If you want to subsidize rail, do it with federal money. Don't we already pay fees for tire disposal when we replace our tires when they are worn out? No additional taxes. Reign in your spending & reduce your headcounts across the board. The only business growth in Oregon is government.
NO NEW TAXES!
