

Submitter: Karon Johnson

On Behalf Of:

Committee: House Committee On Agriculture, Land Use, Natural
Resources, and Water

Measure, Appointment or Topic: HB3103

Dear Chair, Vice-Chair and Committee Members,

I oppose HB 3103, which would undue the years of care planning and consideration which developed the Habitat Conservation Plan. Our forests are of more value than just for timber, though those other values don't put millions of dollars into a few pockets. Please tell the timber companies NO MORE.

Sincerely,
Karon Johnson
