Resources, and Water

Measure, Appointment or Topic: HB3103

Please reject House Bill 3103.

We need to manage and care for our forest land according the State's Dept. of Forestry Habitat Conservation Plan.

We keep going around and around on this issue even though we know our forests provide so much more than just lumber.

Please consider all that forests give us, and work toward preserving, protecting and even restoring them for more than one single use.

Respectfully,

Robin Harrower
