Dear Chair Patterson, Vice-Chair Hayden, and Members of the Committee,

I'm writing in support of SB 528. My name is Maria, and I am a community member. SB 528 will provide critical resources to RHECs so they can continue reducing health inequities by identifying the most important issues impacting priority populations in underserved, rural regions of Oregon. By assessing these barriers through grassroots community engagement, they are able to uplift the voices of their communities to create effective solutions through policy and systems change. The expansion of RHECs will ensure that priority populations all over the state are getting their needs met.

I support this bill because:

Solo quiero dar las gracias alas Personas que hacen. Posible este proyecto, que nos inforona, nos enseña, diferentes temas que nos ayudan en nuestra vida diarra.

This resource is vital to our community and these resources will allow for an immediate increase in Regional Health Equity Coalitions capacity to support them. **I urge you to vote yes on SB 528.**

Muchas Gracios,

Maria Guadalupe
