

Submitter: TOM MESSENGER

On Behalf Of:

Committee: Joint Committee On Transportation

Measure, Appointment or Topic: HB3362

I oppose HB 3362.

This came up in the statewide ODOT tour by the JCT as a potential method of providing additional revenue for HIGHWAY MAINTENANCE. If this tax was DEDICATED to highway maintenance, I would consider supporting the bill. As is, this is a totally unacceptable use of the taxpayers' dollars.

Sincerely,

Tom Messenger
