

Submitter: Dawn Alexander
On Behalf Of: Oregon Cattlewomens
Committee: Senate Committee On Natural Resources and
Wildfire
Measure, Appointment or Topic: SB777

I, Dawn Alexander, Redmond, am in support of this bill. These depredations have come at a cost to our lively hood. Please support this bill. Ranchers work hard to provide meat for our table and the multitude of by-products that cattle provide for us. Any help that can be provided to make their work less stressful and save the lives of cattle, especially the young calves is the right and humane thing to do. Thank you for your work for the Oregon people.
