On Behalf Of: TriCounty CattleWomen
Committee: Senate Committee On Natural Resources and
Wildfire
Measure, Appointment or Topic: SB777

My name is Deena Fidler. I am the president of the Tri County Cattlewomen and I am writing in support of Senate Bill 777 on behalf of my membership. As a member of the agriculture community, I receive many phone calls throughout every season regarding wolf kills and harassment in livestock. As the phone calls become more frequent, the desperation of those in our community grows. The economic impacts are severe on producers. Our producers deserve to be compensated at the very least. I ask that you support this bill. We desperately need it.
