

Submitter: Shane Spiker

On Behalf Of:

Committee: Joint Committee On Transportation

Measure, Appointment or Topic: HB3362

We do not need another tax for you waste. You could just cut the spending on your socialist programs, stop funding tax payer abortions, stop reviving the over dosed crack heads, and stop all funding which the illegal aliens are receiving and assist the federal government in deporting those who have broken the law by entering the country illegally!
