On Behalf Of: All 29 EMplotyees at Kadee  
Committee: House Committee On Agriculture, Land Use, Natural  
Resources, and Water  
Measure, Appointment or Topic: HB3103

This Once Great State Has Truly Hurt so Many towns and Industries by Allowing the Stoppage of Logging, Lumber Production, Employment associated with ALL Timber Harvesting, planting, transferring of logs and livelihoods of families, towns and counties by banning and most times injunctions on timer harvests. IT IS Way Past Time to harvest and produce Oregon Timer and Lumber to help the citizens of Oregon Once again.

Bill HB 3103 will help get our State back on track to be a much better state with "Something to be Proud of." Jobs, products, Income and use of Natural resource that are Renewable. I Request that All Legislators put aside their emotions and personal feelings and VOTE YES on HB 3103, for the Good of Forests, Oregonians and Communities! Thank you!
