1130 NW Overlook Dr

Corvallis, OR 97330

I support HB 2679.

I have been an avid gardener in Corvallis for over 25 years. Over this time I have watched the number of bees in my garden decline. This is alarming. I have tried to adjust by raising Mason bees, but their pollination window is short and is usually ended by the beginning of June.

I feel it is crucial that we take action to reduce the decline of bee populations by removing neonicotinoids from the market.
