

Submitter: Jean Butcher

On Behalf Of:

Committee: House Committee On Agriculture, Land Use, Natural
Resources, and Water

Measure, Appointment or Topic: HB3103

I oppose HB 3103 and its amendments; this bill prioritizes timber harvests above all other uses of our land and resources. Oregon is currently following the Oregon State Forest Habitat Conservation Plan and its balanced use of Oregon's resources, and I urge the state to continue following this plan. Thank you for your work and for your consideration.
