

Submitter: k d

On Behalf Of:

Committee: Senate Committee On Energy and Environment

Measure, Appointment or Topic: SB88

As a resident and voter of Oregon, who happens to live on a fixed income, I am asking you to support this bill as one way to protect citizens from further abuse by corporations. It seems residents' energy bills are soaring without constraint. I am asking you to stop utilities from stealing more money from the public. Please get this bill through to the finish line.
