

Submitter: Alaa Karmi

On Behalf Of:

Committee: House Committee On Agriculture, Land Use, Natural
Resources, and Water

Measure, Appointment or Topic: HB3103

Clear cutting will leave us in great turmoil and completely destroy our water supplies. We intend to live here as long as it's livable. This measure is not sustainable and will render this area as unlivable. Very often the trees that would survive fire are the ones removed first, rendering the land more vulnerable to extreme fire behavior.
