

Submitter: Courtney Heath

On Behalf Of:

Committee: House Committee On Agriculture, Land Use, Natural
Resources, and Water

Measure, Appointment or Topic: HB3103

I am opposed to House Bill 3103, and urge you to reject this measure. It ignores the State Forest HCP which was developed over years with input from multiple stakeholders. Timber harvesting must be sustainable and planned with care for the health of our forests and waters. House Bill 3103 would not do this responsibly and should be rejected.
