

Submitter: Deborah Knapp

On Behalf Of:

Committee: Joint Committee On Transportation

Measure, Appointment or Topic: HB3362

Dear Committee Members,

Here comes yet ANOTHER tax to increase pain and poverty on Oregonians. I strongly oppose this financially oppressive plan! There is already too much bureaucracy and too much heavy burden on Oregonians. Please go back to the drawing board and figure out financial efficiency before adding more burdens on Oregon taxpayers.

Sincerely,

--Deborah Knapp
