

Submitter: Lori Jones

On Behalf Of:

Committee: Joint Committee On Transportation

Measure, Appointment or Topic: HB3362

I will not support ANY new taxes or bonds put forth until the State of Oregon and every City and county does a complete third party, line by line audit of the budgets/funds with a detailed focus on fraud, abuse and waste! Also, the Oregon Lottery needs to be audited immediately for fraud, abuse and waste! Oregon taxes its people too much!
