

Submitter: Kris Lane
On Behalf Of: Freedom Of Choice
Committee: Senate Committee On Early Childhood and Behavioral Health
Measure, Appointment or Topic: SB702

I am in opposition of this bill as it primarily infringes on the freedom of choice of Oregonians. Other potential destructive repercussions are the economic losses to small businesses and the state in whole of millions of dollars annually. This bill will force this industry into an illicit and dangerous black market underground that will inflict harm from inferior products and present our state as ripe for criminal black market exploitation.
