Chairman & Committee Members,

I urge you to vote No on HB 3362.

Tires are expensive enough as it is without adding on this extra tax. Oregon does not need to generate more tax revenue. We are already one of the most taxed states. We need to manage what we are paying for now and must insist on transparency as the budget is way over inflated! NO on more taxes, yes on auditing the current budget and taking out the fat!

Vote NO on this terrible idea of a bill. Oregonians have had enough taxation!
