Resources, and Water

Measure, Appointment or Topic: HB3103

Dear Committee Chairs and Members,

I am writing to express opposition to House Bill 3103 and its ammendments. This bill does not represent the interests of most Oregonians, myself included. I am a tradesperson, but still value healthy forests, clean water and carbon storage over cheaper wood products. The Western Oregon State Forest Habitat Conservation Plan needs our support, not a bill that weakens it.

Please act for the betterment of our state as a whole and oppose this bill.

Thanks for your time,

Kelly Humber
