Committee: Joint Committee On Transportation
Measure, Appointment or Topic: HB3362

I urge you to please vote YES on HB 3362 which attempts to mitigate the horrible vehicle/wildlife collisions on Oregon roads. It will guarantee permanent funding for wildlife overpasses by levying a small fee on tire sales in our state.

Each year roughly 7,000 large animals and four drivers lose their lives due to collisions on our highways, many more drivers suffer serious injuries, aside from the economic cost of such events.

Let's all work together to make these awful statistics a thing of the past. By voting YES, you can help save human and animal lives. Thank you. Gisela Ryter
