

Submitter: Travis Weaver

On Behalf Of:

Committee: Senate Committee On Natural Resources and  
Wildfire

Measure, Appointment or  
Topic: SB579

We are writing to extend our support towards the funding to facilitate the construction of living quarters at the Umpqua Fire Station.

This would be of immeasurable benefit to our community. We and many of our neighbors are seniors. Thus, we would feel more at ease if emergency response times were shortened.

Sincerely,

Travis and Elizabeth Weaver
