

Submitter: Lori Shaw
On Behalf Of:
Committee: Joint Committee On Transportation
Measure, Appointment or Topic: HB3362
Re: HB 3362

I absolutely oppose this Bill. It is a sales tax and they know it is a sales tax. Oregon is showing their inability to manage fiscal affairs by all these nonsense bills they bring and try to pass each year.

In addition to this, the state will be putting public safety at high risk as people forgo getting new tires until they reach dangerous conditions.

Where is good legislature these days?

Sincerely,
Lori Shaw
Keizer, Oregon
