Measure, Appointment or Topic: HB3587

I live near Coquille Point, in Bandon. Coquille Point recently received a designation as a Marine Garden! I hope you support HB 3587 as it would aid in coordination between agencies to protect coastal rocky habitats, like Coquille Point. HB 3587 would also set up a grant fund for local communities, like Bandon, to teach the public best practices to enjoy these places and at the same time, minimizing disturbance to sensitive wildlife and habitats.

Please support HB 3587. Thank you.
