

Submitter: Rebecca Gammons

On Behalf Of:

Committee: House Committee On Agriculture, Land Use, Natural  
Resources, and Water

Measure, Appointment or Topic: HB3103

Help protect our forests for the sake of our environment and our future . Our forests are living organisms that enhance our life, were here before we were, and hopefully we'll survive once we are gone. They are not commodities to be used up and spit out, leaving our land, ugly and vulnerable.
