

Submitter: Holly Marcotte

On Behalf Of:

Committee: Senate Committee On Judiciary

Measure, Appointment or Topic: SB1003

I believe that assisted suicide is always morally wrong. Every person is created in the image of God, and has dignity. No one has the right to take either one's own life, nor the life of another innocent human being. When someone is suffering, the appropriate moral response is to allieviate their suffering by providing palliative care. God is the Author of life, and the only One Who can legitimately cause death in cases of suffering.
