

Submitter: Justin Coon

On Behalf Of:

Committee: House Committee On Agriculture, Land Use, Natural
Resources, and Water

Measure, Appointment or Topic: HB3103

Oregon needs to use our forests. I spend over a 100 days a year in the woods and our forests are overgrown and unhealthy. We need to start thinning our forests and bringing revenue back to Oregonians all while helping our environment by storing carbon in lumber. As a life long Oregonian I support this bill.
