

Submitter: Frances Dunham

On Behalf Of:

Committee: House Committee On Agriculture, Land Use, Natural
Resources, and Water

Measure, Appointment or Topic: HB3103

HB 3103 is an outrage to the Oregon public interest. By prioritizing logging over preservation of Western Oregon's public state forests, 3103 threatens wildlife habitat, clean water, soil stability and recreation. Timber interests would be allowed to sue the state to effectively force more clearcuts in Western Oregon state forests, inviting disasters of all kinds, including more wildfires.
