Measure, Appointment or Topic: HB3362

I am a resident of McMinnville, OR. I am firmly opposed to HB3362. Oregonians have repeatedly said no to sales tax proposals. The proposed tax on the sale of tires flies directly in the face of the citizens of this state. It is time that the Democrat legislators of Oregon stop ignoring this fact.

The problems of transportation funding in Oregon are significant and real, and are largely due to fiscal mismanagement and the failed policies of progressive ideology. There is no sensible path to solving Oregon's transportation problems to be had by funding rail initiatives and projects by way of a tax on tire sales.

HB3362 is an insult to the citizens of Oregon, and it should be opposed by every Representative in the Capitol.
