On Behalf Of:
Committee: Joint Committee On Transportation
Measure, Appointment or Topic: HB3362
NO ON 3362

How many ways can our legislators tax us into debt?
This is not the way to balance ODOT mess or transit garbage most of Oregon does
not use or the State debt.
All tax proposals are supposed to be sent to voters.
Did that Constitution item get EOd?

JUST STOP the nonsense.
NO TAX ON TIRES!
