

Submitter: Greg and Debra Poupard
On Behalf Of: Oregonians
Committee: Joint Committee On Transportation
Measure, Appointment or Topic: HB3362

NO TAX ON TIRES! We are emphatically opposed to this yet another tax!

Instead, how about the DEPARTMENT OF GOVERNMENT EFFICIENCY (D.O.G.E.) look into where Oregonians money is going BEFORE asking us for more.

Also, we've already seen how so called environmental programs have been just scams for bureaucrats to get rich off we, the hard working people.
