

Submitter: Peter Green  
On Behalf Of: Self  
Committee: Joint Committee On Transportation  
Measure, Appointment or Topic: HB3362  
Co-Chair Gorsek and McLain, Co-Vice Chairs Starr and Davis, and Members of the Committee:

I am an Oregon resident asking you to support HB 3362.

Each year in Oregon, there are over 7,000 wildlife-vehicle collisions with large animals. On average, four people die and over 500 people are seriously injured. The cost of these collisions on Oregon roadways is likely more than \$100 million each year.

For many years, I have seen how beautiful wildlife crossings can be -- we need them!

Oregon needs a permanent source of funding to implement state programs and projects to improve motorist and wildlife safety. Permanent funding would:

Improve the safety of Oregon's roadways

Remove barriers to wildlife

Please protect both our wildlife and our communities by supporting HB 3362.

Thank you,
