

Submitter: Jeff Lang

On Behalf Of:

Committee: Senate Committee On Judiciary

Measure, Appointment or Topic: SB1003

Dear members of the Senate Committee On Judiciary,

Please vote to oppose SB 1003 because, as you know, it hastens the most important decision between life and death. Life is the most important aspect of our existence and should be treated as most sacred. Hastening the decision process for what might be convenience would remove extra time for consideration and forethought by all parties involved in these decisions.. Please oppose SB 1003.

Respectfully Submitted,

Jeff Lang
