Committee: House Committee On Agriculture, Land Use, Natural
Resources, and Water
Measure, Appointment or Topic: HB3103

I SUPPORT HB 3103.

The mismanagement of the forest industry has caused thousands of jobs lost. The timber industry has dwindled away with no sustainable levels of projection. Under President Trump, construction will pickup and for Governor Kotek to meet her affordable housing goals, we need a solid harvesting plan that gives timber owners confidence in what those harvest levels will be moving forward.
