

Submitter: Kai Chow

On Behalf Of:

Committee: Joint Committee On Transportation

Measure, Appointment or Topic: HB3362

My neighborhood was full of crime in Portland. I moved out of Portland because I was being taxed and overcharged for everything.

Now, you want to tax tires that already cost on average about \$1000 for 4 tires! This is unacceptable, if you keep taxing hard working Oregonians we will move out of state.
