

Submitter:

Matt Johnston

On Behalf Of:

Committee:

Joint Committee On Transportation

Measure, Appointment or Topic:

HB3362

How many time will you tax the same dollar? Thats a rhetorical question. No more new taxes, period!! The cost of living keeps going up and the quality of life under Democrat super majority keeps going down. Your suicidal empathy is destroying our state. Please abandon this bill and learn to budget the money you have.
