

Submitter: Brad Mombert

On Behalf Of:

Committee: Joint Committee On Transportation

Measure, Appointment or Topic: HB3362

Are you kidding me with another tax!?

How about do some DOGE work and find some money to pay for whatever it is your trying to pay for by taxing tires.

Maybe stop babying homeless and drug users and spending all our tax dollars on them who don't pay any taxes at all!

So sick and tired of the tax and spend Oregon politicians!
