

Submitter: Robert Franks

On Behalf Of:

Committee: Joint Committee On Transportation

Measure, Appointment or Topic: HB3362

To whom it may concern,

A tire tax seems unfair, as do many of our taxes.

Truckers will pay a heavy tax which affects every product shipped in a truck which is almost every product we purchase. Which means every product we purchased will cost the consumer more.

I don't understand how the government doesn't think that these costs will be passed on to the end users?

It's baffling.
