

Submitter: Kendal Pelton

On Behalf Of:

Committee: House Committee On Agriculture, Land Use, Natural
Resources, and Water

Measure, Appointment or Topic: HB3103

I am in support of our state properly managing our forests and using the timber for housing and other state needs and then selling to outside entities. We don't need to watch the forest burn when it can be managed and used to employ and house people and our state desperately needs it.
