

Submitter: Nathan VanderZanden  
On Behalf Of:  
Committee: Joint Committee On Transportation  
Measure, Appointment or Topic: HB3362

State Representatives,

I do not support this bill on a Tax to retail tire sales. Oregonians are already struggling in this inflation of the national economy. If you guys need tax dollars to raise, please swallow the difficult pill of cutting your tax free salary.

Best regards,

Nathan Vanderzanden
