

Submitter: Kori Kunz
On Behalf Of:
Committee: Senate Committee On Education
Measure, Appointment or Topic: SB1098

As a high school librarian I've seen what a positive difference books can make in students' lives. All students deserve a wide variety of perspectives and experiences represented in the books available to them. Censorship and book banning are contrary to the mission of education and promoting critical thinking. Please pass this bill to keep censorship out of our school libraries.
