

Submitter: Fergus Mclean

On Behalf Of:

Committee: House Committee On Agriculture, Land Use, Natural  
Resources, and Water

Measure, Appointment or Topic: HB3103

Please reject HB3103. Forest management should not be carried out in a vacuum, without proper consideration for the full range of effects. ODF's Habitat Conservation Plan takes into account the impacts of timber harvest. Let's not go back to the dark days of habitat destruction on state lands.
