

Submitter: Brandie LeDoux

On Behalf Of:

Committee: Senate Committee On Judiciary

Measure, Appointment or Topic: SB1003

Good day,

This proposal would open the door wide to those with short term mental health issues taking their own lives before loved ones or family members had the opportunity to help or intervene. It would also give Oregon the horrid moniker of the Death State.

Please vote against this Death without Sense bill.

Sincerely,  
B. Jay LeDoux
