

Submitter: THERESA ADAMS

On Behalf Of:

Committee: House Committee On Agriculture, Land Use, Natural
Resources, and Water

Measure, Appointment or Topic: HB3103

I oppose House Bill 3103 and its amendments. This timber industry bill will undermine the Western Oregon State Forest Habitat Conservation Plan, resulting in more clearcuts, more lawsuits, reduced habitat for wildlife and salmon, and less carbon storage. It would imperil key drinking water sources.

I urge you to oppose this Bill. Instead, I encourage this committee to focus on measures that would increase carbon storage in our State Forests and safeguard our public resources for current and future generations.

Please do not let this bill pass out of committee.
