

Submitter: J Trimble

On Behalf Of:

Committee: Joint Committee On Transportation

Measure, Appointment or Topic: HB3362

Sponsors of this bill please know this would increase our operating costs of trucking and we are barely getting by right now with the amount of inflation already inflicted on us. We are about to move out of state and we will take 9 working adults with us if taxes and inflation continue this year. I oppose this bill. Thank you for your time.
