Measure, Appointment or Topic: HB3362

HB3362 is an absolute NO! Oregon's long history of taxpayer abuse must stop. This bill will redirect more taxpayer dollars to unnecessary pet programs.

No more Oregon insanity. Cut all of these ridiculous expenditures and get down to business fixing our utterly broken state!

Oregon doesn't need more of this:

Directs the Department of Revenue to transfer tax revenue to specified funds for purposes related to rail transit, tire pollution prevention and mitigation and wildlife passage infrastructure.
