

Submitter: Tina Russell  
On Behalf Of: Brad Russell Trucking  
Committee: Joint Committee On Transportation  
Measure, Appointment or Topic: HB3362

Our company is taxed for everything. Tires for trucks and trailers are very expensive as it is. Trucking companies pay a lot to Oregon for mileage, are roads are a mess. Trucks are inspected and have to have good tires. Oregon is one of the highest tax rates for trucking in the US and now you want to tax tires!!!
