Committee: Senate Committee On Judiciary

Measure, Appointment or Topic: SB1003

I OPPOSE SB1003.

People need more time to decide to end their life than 48 hrs.

I also OPPOSE you including in this bill the demand hospices advertise whether they will administer poison to kill a person.

1.This needs to be a separate item and

2. This takes away the freedom to run a business based on the DIGNITY of LIFE.

OREGON WILL SOON BE A STATE THAT STANDS FOR LIFE - EVERYONE's LIFE! The UNBORN AS WELL AS THE ELDERLY AND SUICIDAL PEOPLE. ALL PEOPLE MATTER AND DESERVE LIFE.
