

Submitter: Richard Cloepfil
On Behalf Of: self
Committee: Joint Committee On Transportation
Measure, Appointment or Topic: HB3362

To Whom This May Concern,

Any additional taxes, such as the proposed tax on tires would put an undue hardship on our farm and the agricultural community as a whole. Also as people of Oregon struggle to pay there bills and raise there families, any new tax will be devastating to all of the citizens of Oregon. Therefore, I'm pleading that a tax on tires needs to be dropped.

Sincerely,

Cloepfil Farms
