

Submitter: joyce hunt

On Behalf Of:

Committee: House Committee On Agriculture, Land Use, Natural
Resources, and Water

Measure, Appointment or Topic: HB3103

I am opposed to this bill because making timber harvests a priority over other uses of forest like fish and wildlife habitat, clean water and recreation. the bill also undermines the new State Forest Habitat Conservation Plan which provides balanced protection of salmon and wildlife. Please let us not go back to increased logging and profits for today over the long term health for generations to come.
