On Behalf Of:

Committee: Joint Committee On Transportation

Measure, Appointment or Topic: HB3362

This is a tax on the citizens of Oregon which will without any doubt affect the poorest Oregonians who haven't given up on trying to stay employed, trying to get their children to events which build character. I could go on and on. This is going to hurt all small business that use vehicles for any purpose in their business. It's going to hurt all the disabled vets. It wont however hurt people who have a guaranteed income from NGOs.

Thank you
